

Workflow Validation Survey

* Required

A bit about you

1. Which of the following best describes your current role or previous experience? *

- ☐ ETO
- ☐ Machining Process Planning
- ☐ Sales
- ☐ Customer/End User
- ☐ Machine Tending
- ☐ Machine Tools
- ☐ Academic (but related with one of the topics from the survey)
- ☐ Robotic Cells

2. How many years of experience do you have in total in the previous stated fields? *

About the Workflow

3. How well this workflow shows the real interaction *

	Extremely Well	Somewhat Well	Neutral	Not very Well	Not Well at all
Accuracy (Does it reflect real roles and interactions?)	☐	☐	☐	☐	☐
Clarity (can it be easily understood by its intended audience?)	☐	☐	☐	☐	☐
Completeness (are key actors, dataflows, and decisions shown?)	☐	☐	☐	☐	☐
Logical sequencing (does it follow real process flow?)	☐	☐	☐	☐	☐
Overall	☐	☐	☐	☐	☐

4. To what extent do you agree with the following statement?

“Having the entire workflow fully digitalized in a single platform is valuable for Engineer-to-Order (ETO) projects.” *

Extremely disagree

Extremely agree

5. How would you improve it? *

6. Which departments are most involved during an ETO process in your company? *

7. What are the typical challenges you face when handling ETO workflows? *

8. Looking at this workflow, do these steps reflect what typically happens in your ETO projects? *

9. Are there steps missing that are critical in your organization's process? *

10. At which points in your process do you typically receive customer inputs or approvals? *

11. When do you freeze design specifications, and does this align with the workflow presented? *

12. Does this workflow capture the key data exchanges and knowledge (e.g., CAD models, BOMs) you use during the ETO process? *

13. Which part of this workflow would you prioritize for improvement in your context? *

14. Where in your ETO process do you typically encounter delays? *

15. What information is hardest to obtain during your ETO process? *

16. What metrics (KPI) do you use to measure the success of your ETO projects? *

17. Any comments or remarks from your side *
